

BOYS STATE QUESTIONNAIRE

Deadline: March 19

Boys State is a leadership development program. The potentiality of leadership is the controlling factor in selection for Boys State.

Characteristics which are sought are:

1. Mental alertness and physical cleanliness
2. Honesty
3. Good sportsmanship
4. Ability to get along with others

Physical fitness of a Citizen is essential because the extensive seven-day program includes activities that require the best of health. For this reason, each applicant must have his parent's signature, attesting he is physically fit to participate and that the American Legion will not be held responsible in any way.

To be eligible for attendance a boy must be a junior in high school this school year and be eligible to be a senior next year.
