

Board Goals and Duties for Superintendent

- 1) Improve instruction based upon the needs of all students
- 2) Establish curriculum continuity and coordination based upon established school goals
- 3) Improve balance of academic extra curricular activities and a public relations program which emphasizes both areas
- 4) Develop a counseling and guidance program which emphasizes career planning and development
- 5) Employ, within the general guidelines set by the board, the highest quality teachers and staff available (regardless of political considerations)
- 6) Utilize accepted guidelines and procedures for annual development of a comprehensive school budget
- 7) Improve teacher and administrators appraisals
- 8) Evaluate staffing process and procedures and be aggressive in assuring that the correct person is in the correct position in each job in the district
