

Alva Independent Schools Inclement Weather Plan

The school law has been changed this year concerning early dismissal of students due to inclement weather. Each school day must meet a minimum of 6 1/2 hours to be counted as a full day of school. To insure that our rural students are safely transported, we will dismiss early those who live outside the following area when the school administration believes it is necessary.

1. South of the Fairground road
2. East of Highway 281
3. West of Ridgeview Veterinarian Hospital
4. North of Santa Fe Railroad track

Carmen/Dacoma students will travel home with the Alva rural students. All other students will remain in class, and regular bus schedules will be followed.

Listen to KALV for updates about early dismissal, change in school starting time or school cancellation.
