

### Public Gifts to the Schools

All gifts given to the schools will become the property of the district. The use to which a gift is applied is left to the discretion of the superintendent. The donor's wishes will be honored whenever appropriate.

The superintendent is authorized to accept gifts to the district and others whom he may designate will be authorized to accept gifts for particular schools in behalf of the Board. The donor will be officially thanked in the Board's name and all major gifts will be reported to the Board and publicly announced. Major gifts are those with value greater than one hundred dollars (\$100).

In instances where the superintendent or his designee doubts the appropriateness or usefulness of an offered gift, the gift may be declined or the matter may be referred to the Board.

The Board welcomes gifts of books and other materials to school libraries provided that they meet the same standards of selection as those applied to the purchase of library materials.
